

# ATA Science and Technology Division

---

## Status Report April 2013

### In brief

- We renewed our Leadership Council
- Two distinguished speaker proposals were made for the Annual Conference: one was accepted
- We received 12 good quality presentation proposals for the upcoming Annual Conference
- We updated the website at least monthly
- The blog, Facebook group, Yahoo group email forum, LinkedIn group and Twitter feed are all active
- We have 1909 members at last count

### Mailing forum administration

We wanted to consider a method of culling the Yahoo group periodically, to remove listmembers who have not renewed their ATA and Division membership. Matthew Schlecht has been working on a method for this and sharing it with other Division Administrators in the Division Administrators' Yahoo group.

### Leadership Council

Our Leadership Council for 2013 has three changes: Steven Marzuola and Vincent Lai have left, and Amy Lesiewicz has joined us. This council will run March-November 2013. That way we'll synchronize with conferences and changeovers from then on.

Karen Tkaczyk: DA, HQ communications, Twitter feed, conference prep, miscellaneous.

Matthew Schlecht: ADA until November, and working on the Yahoo group.

Nick Hartmann: general advisory and legacy

Tess Whitty: blog editor and LinkedIn admin

Lebzy Gonzalez: monthly website news update, plus learn about website admin (and maybe blog admin too but we already have two people on that?)

Alicja Yarborough: To be assigned

Susanna Weerth: Blog articles

Stephanie Strobel: Site tours

Amy: blog editor, help with local knowledge for San Antonio.

Petra Schweitzer: Facebook and Yahoo group admin

Iryna Ashby: Webmaster and Facebook admin
