

ATA Science and Technology Division

Status Report July 2016

In brief

- We had 7 sessions accepted for the ST track for the Miami conference, including topics that have not been covered in recent years.
- We updated the website with news and reports every month.
- We continue to post to the blog, most recently about practical aspects of technical translation.
- We were active in the Facebook group (130 members), Yahoo e-mail forum (162 members), LinkedIn group (168 members) and on the Twitter feed (313 followers). Excluding Twitter, 4 new S&TD members joined our social media groups. The number of messages posted to the Yahoo forum has increased by 47% compared to last year.
- At last count, we have 2,133 members (105 new members).

Regarding the annual conference

Nancy Leveson and Mery Molenaar are planning an off-site dinner for Friday, November 4 at 8 p.m. Our Guest Speaker, Dr. Carl Haber, will be in attendance. We are still considering our options for another off-site event.
