

ATA Science and Technology Division

Status Report April 2018

In brief

- We received 9 presentation proposals for the science and technology track at ATA59.
- We conducted an online poll of the membership to gauge interest on a dinner cruise during the ATA conference in New Orleans. The overwhelming majority of respondents expressed interest.
- We continue to post to the blog, most recently about preparedness and neural networks.
- We were active on the Yahoo e-mail forum (174 members), Facebook group (160 members), Twitter feed (575 followers), and LinkedIn group (179 members). The average number of posts to our e-mail forum is comparable to this same period last year:

- At last count, we have 2,093 members (comparable to this same period last year).

Regarding the annual conference

The Administrator and Assistant Administrator reviewed all sessions submitted for the science and technology track at ATA59. We are pleased with the quality of sessions submitted and hope many of the strongest will be approved. We will soon begin to plan networking events for the conference.
