

ATA Science and Technology Division

Status Report July 2018

In brief

-) We had 8 sessions accepted for the ST track for New Orleans conference, including topics that have not been covered in recent years, such as cancer therapies, pesticides, neural machine translation, and bird migration.
-) We were active on the Yahoo e-mail forum (178 members), Facebook group (158 members), Twitter feed (587 followers), and LinkedIn group (180 members). Excluding Twitter, 7 S&TD members joined our social media groups. The total number of posts to our e-mail forum is comparable to this same period last year:

-) At last count, we have 2,235 members.

Regarding the annual conference

Patrick Weill is planning an off-site dinner during ATA 59. We are still considering options for another off-site event.
