

ATA Science and Technology Division

Status Report April 2019

In brief

- We received 6 presentation proposals for the science and technology track at ATA60.
- We continue to post to the blog, most recently an interview with our new blog editor, Naomi de Moraes.
- We are now posting regularly to our Twitter account.
- Our Nominating Committee has already identified some candidates for the 2019 elections.
- We were active on the Yahoo e-mail forum (182 members), Facebook group (173 members), Twitter feed (623 followers), and LinkedIn group (190 members). Our social media accounts continue to gain members and followers and our Facebook group has become our main discussion channel. The average number of posts to our e-mail forum has dropped significantly compared to this same period last year:

- At last count, we have 2,049 members (vs. 2,093 this same period last year).

Regarding the annual conference

The Administrator and Assistant Administrator reviewed all sessions submitted for the science and technology track at ATA60. We are pleased with the quality of sessions submitted and hope most of them will be approved. We will soon begin to plan networking events for the conference.
