Re: ATA Science & Technology Division Status Report October 2021

In brief

- At the Division Annual Meeting on October 8, 2021, the terms of the new Administrator Mery Molenaar and new Assistant Administrator Heike Holthaus will begin. The new Administrator and Assistant Administrator are already in the process of organizing the new Leadership Committee.
- A newsflash was sent out to S&TD members on all social media channels and via ATA HQ in September. The newsflash is also posted on the S&TD website.
- A pre-conference virtual networking meeting open to all division members will be held on Oct. 12, hosted by Carola Berger.
- We were active on the groups.io e-mail forum (122 members, same as July), Facebook group (139 members, +1 member compared to July), Twitter feed (747 followers, +2 followers compared to July), and LinkedIn group (150 members, +1 member compared to July). Activity on the groups.io discussion forum has stabilized, after a considerable slump in 2019 due to the demise of Yahoo groups.

Total number of messages

- At last count, we have 1732 division members (a slight decrease of 6 members compared to July 2021).

Regarding the annual conference

We are hosting an in-person dinner on Friday, October 29. We are especially looking forward to the two presentations by the S&TD Distinguished Speaker, Prof. Nic Jelinski, on Saturday, October 30. Including the DS, there are 13 presentations scheduled that are cross-listed in the science & technology track.
